This illustrates yet another initiative we have taken to keep FOIA cases moving through the process. The pay-off is worth our commitment of this type of effort.

SUBJECT: Pending FOIA Requests for Various Issues
of "Studies In Intelligence"

1. Thank you for the opportunity to meet with you last week and discuss the numerous pending FOIA requests for various issues of your publication "Studies In Intelligence." As you will recall, these requests encompass essentially every issue which has been published.

2. Both the DDA/IRO and I fully recognize that, while timely completion of these requests is required by law, the burden imposed on your limited staff would be severe. For this reason, we have established a task force within DA/OIS, staffed by highly experienced, senior officers and headed by [REDACTED] (formerly DDO/IRO and [REDACTED] to conduct a priority declassification review of all issues. Their recommendations as to releases will, of course, be cleared through you prior to any dissemination.

3. I would anticipate the task force to begin work on Monday, 21 July, 1986. If acceptable, [REDACTED] of your office will be their point of contact.

4. Please contact me on [REDACTED] if there should be any questions.
